SARSEN NEOLITHIC MARATHON

WALK, RUN or CYCLE through the heart of Wiltshire

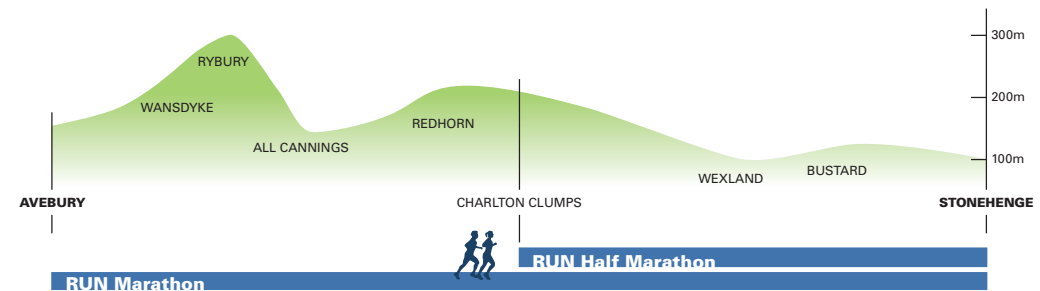

SUNDAY 2ND MAY 2010

The Neolithic Marathon and Half Marathon is a multi-terrain, undulating cross-country course of moderate severity. This linear route runs from historic Avebury to world-famous Stonehenge and takes you through the stunning Vale of Pewsey to the contrasts of Salisbury Plain. Please be advised that the route may be muddy in wet weather and dusty and rutted when dry. There is an upper limit of 350 runners for each of the Marathon distances.

Wiltshire Wildlife Trust is one of the UK's most successful nature conservation charities. Over the last 45 years we have created over 30 wildlife havens, effectively lobbied local and national government and dramatically reduced waste in Wiltshire.

Help us to do even more!

Your entry fee covers the cost of us running this event and raises funds for Wiltshire Wildlife Trust. With just £25 sponsorship from each runner we would raise additional money for our vital conservation work. Please download a sponsorship form at www.wiltshirewildlife.org Thank you!

Join us for a great day out & help Wiltshire's wildlife

A sustainable future for wildlife and people
