CYCLE THE SARSEN TRAIL

WALK, RUN or CYCLE through the heart of Wiltshire

SUNDAY 2ND MAY 2010

The route is 15 miles long, running from the top of Redhorn Hill, along Salisbury Plain, down to Fargo and then to the finish point at Stonehenge. The car park is at Stonehenge and a bus service will then take you and your bike to the start point at Redhorn Hill. Numbers will be limited to 200.

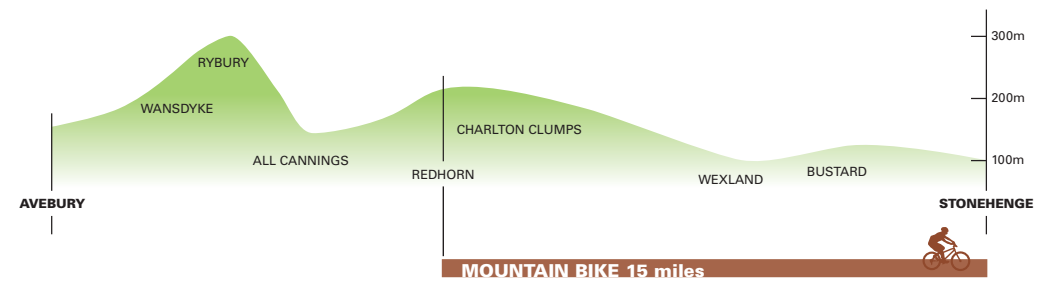

All cyclists who complete the course will receive a medal and free light refreshments at the finish.

Wiltshire Wildlife Trust is one of the UK's most successful nature conservation charities. Over the last 45 years we have created over 30 wildlife havens, effectively lobbied local and national government and dramatically reduced waste in Wiltshire.

Help us to do even more!

Your entry fee covers the cost of us running this event and raises funds for Wiltshire Wildlife Trust. With just £25 sponsorship from each cyclist we would raise additional money for our vital conservation work. Please download a sponsorship form at www.wiltshirewildlife.org
