SARSEN WALK

WALK, RUN or CYCLE through the heart of Wiltshire

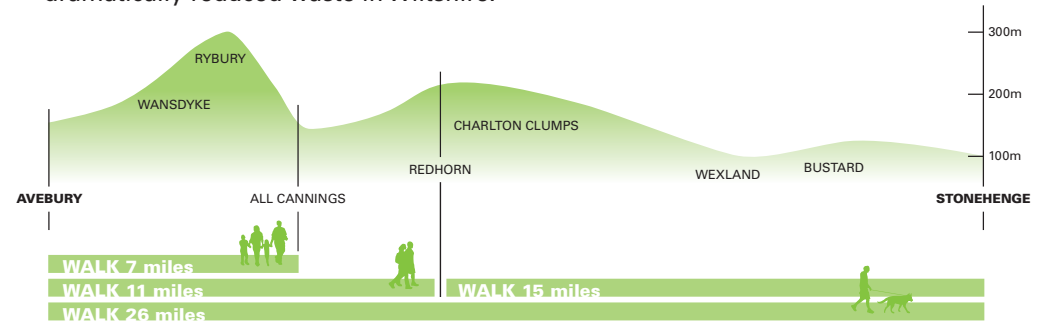

SUNDAY 2ND MAY 2010

Walk 7, 11, 15 or 26 miles through the heart of Wiltshire

The Sarsen Trail walk follows a 26 mile route through the beautiful Wiltshire countryside. From the stunning Vale of Pewsey to the contrasts of Salisbury Plain, this unique route links two of the UK's World Heritage sites - the ancient stone circle of Avebury and world-famous Stonehenge. The route is a multi-terrain, undulating cross-country course of moderate severity and may be muddy in wet weather and dusty when dry.

Wiltshire Wildlife Trust is one of the UK's most successful nature conservation charities. Over the last 45 years we have created over 30 wildlife havens, effectively lobbied local and national government and dramatically reduced waste in Wiltshire.

Help us to do even more!
Your entry fee covers the cost of us running this event and raises funds for Wiltshire Wildlife Trust. With just £25 sponsorship from each walker we would raise additional money for our vital conservation work. Please download a sponsorship form at www.wiltshirewildlife.org
Thank you!

Join us for a great day out & help Wiltshire's wildlife

A sustainable future for wildlife and people

1 DECIDE WHERE YOU WANT TO START AND FINISH

| Start and finish | Total Distance | Average Time |
|------------------------------|----------------|--------------|
| Avebury to Stonehenge | 26 miles | 8 - 9 hours |
| Avebury to All Cannings..... | 7 miles | 2 - 3 hours |
| Avebury to Redhorn..... | 11 miles | 3 - 4 hours |
| Redhorn to Stonehenge | 15 miles | 4 - 5 hours |

There are regular water and WC stops along the route, with light refreshments available to purchase at Redhorn Hill and bacon rolls at All Cannings. Free light refreshments at Stonehenge for all those who complete the walk. If you intend to walk the full 26 miles we strongly recommend that you start before 09.00 to ensure you reach Stonehenge by 18.00. After 18.00 we cannot guarantee that facilities will still be available. If you decide on the day not to complete the full route you are able to finish at Redhorn instead.

2 DECIDE TRANSPORT ARRANGEMENTS

With the exception of the 7 mile walk, the main car park is located at Stonehenge and a free coach service will take you from there to the start points. The 7 mile walk will park at Avebury (map to be sent with registration confirmation) and there will be a free minibus shuttle service from All Cannings back to Avebury car park. All vehicles are parked entirely at the owners' risk. Please note there is no parking at Avebury for walkers of other distances. Dogs are welcome on the coaches but must be kept under control at all times.

3 COMPLETE THE REGISTRATION FORM.

You can complete this form, or alternatively enter online at www.wiltshirewildlife.org and pay by debit or credit card. The latest date for entries is 19th April 2010. After this date walkers can only register on the day. Children under 16 years MUST be accompanied by an adult due to several busy roads and the mainline railway that the route crosses. You can use the same registration form for multiple entrants at the same address as long as you all are starting from the same place and have the same transport requirements. Cheques should be made payable to Sylvester Mackett - this will enable Wiltshire Wildlife Trust to increase income from the Sarsen Trail by using it as match funding for Landfill Tax applications. Please enclose an A5 stamped-addressed envelope to the value of 60p. Upon receipt of your entry fee you will be sent confirmation of your registration. Please check all the details carefully and if there are any errors or you wish to alter your requirements please call the Trust on 01380 725670.
